

Photo ID Software for Small Size Organizations.

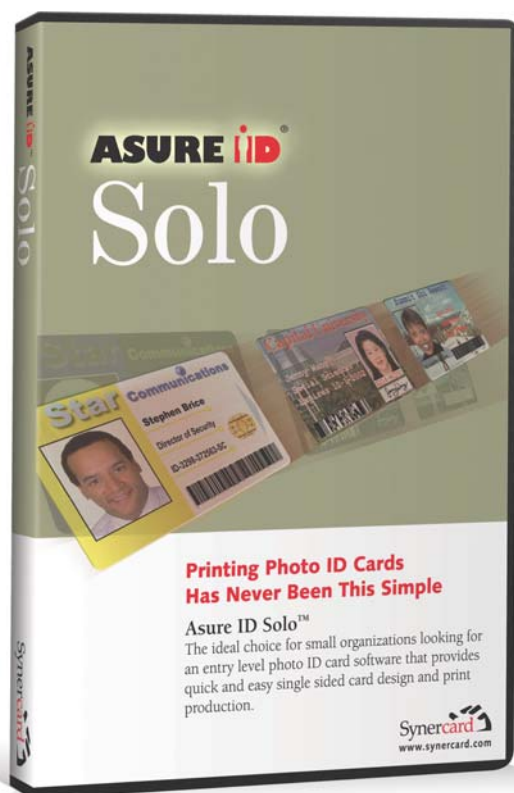

ASURE iD[®]

Solo

Asure ID Solo™ is the ideal choice for small organizations looking for an entry level photo ID card software that provides quick and easy single sided card design and print production.

Key Features

- Easy to use drag and drop card design tools
- Import logos and backgrounds into the design for personalized and professional looking cards
- Add barcodes used by Time & Attendance and data collections applications
- Store up to 5 card designs
- Store up to 200 cardholder records and photos
- Quickly capture photos with Imago camera or any TWAIN compliant capture device
- Search for a specific cardholder record
- Customizable data entry screen
- Support for most all Windows compatible card printers
- Upgrade to Asure ID Express™ or Asure ID Enterprise™ with ease

Asure ID Solo™ is part of the Asure ID Family Of Products™ which offers a complete line of digital identity and photo card management software solutions that are simple to learn, more powerful, loaded with useful features and flexible enough to improve the issuance and management of advanced photo ID cards for virtually any size and any kind of enterprise.

Printing Photo ID Cards Has Never Been This Simple Or This Affordable!

ASURE ID®

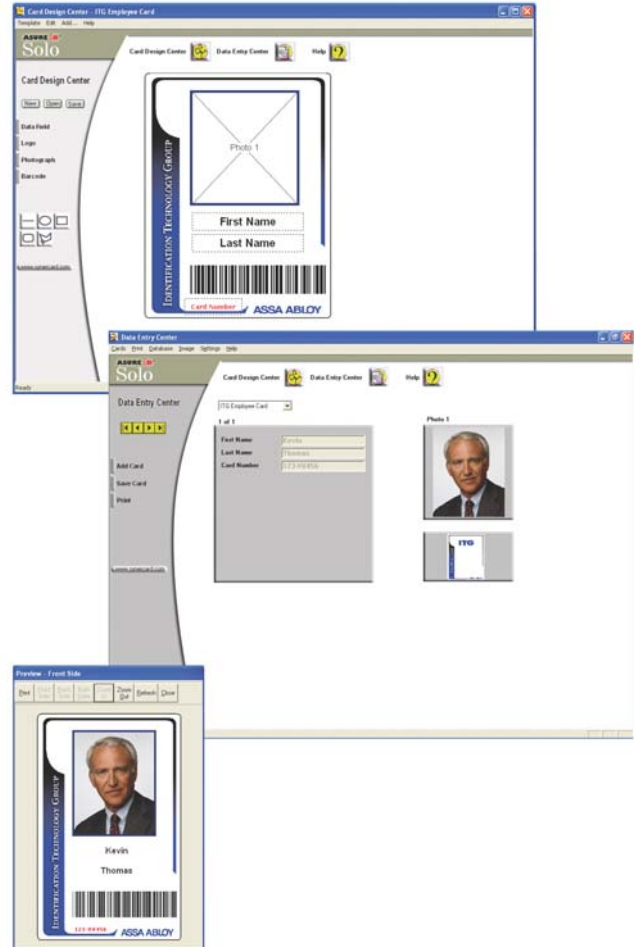

Solo

More Features At Less Cost!

Asure ID Solo™ is the result of Synercard's research into the needs of digital identity and photo card management software users. They told us what they'd like to see and we built a product they love to use. Amazingly, we made it even more affordable!

Easy To Learn, Easy To Use!

Using Asure ID Solo's intuitive card design tools, users can easily create and print professional looking cards with variable data, barcodes, backgrounds and logos.
